## Chairman's Letter:

Boy, what a tournament! I hope everyone had a good time and played a lot of bridge.

We tried some different things during this tournament; some were more successful than others. The biggest change was instead of providing a free lunch to the Monday Swiss team players (approximately 125 tables) we decided to provide cookies to all afternoon session players on Thursday, Friday and Saturday (approximately 300 total tables).

On this closing day I would like to say a few, well maybe more than a few, words of thanks. First and foremost I would like all of the local, out of state, out of the country and some out of this world players who came to play. You are the reason we put on the Denver Regional.

Thanks to Gary Zeiger and all the directors. I hope every ruling went your way. Thanks to all of the Caddies. What a thankless job. And thanks to the volunteers behind the partnership and registration desks. Tell them thanks when you get the chance. Thanks to the hotel staff, they were

always there when we needed them.

A special thanks to unit 361 board members; Jim Calhoun (president), Don Heitler (treasurer) who keeps all the numbers in line and arranged our speakers, Jerry Marrs (vice-president), Carol Levinson (secretary) and Tom Burger (member at large); they all volunteer numerous hours to help keep the tournament on track. We also have two non-board members who have very important us (both are attorneys) who help keep us on the straight and narrow; Forrest Clark (legal advisor) and Susan Grauer (disciplinary chairperson).

Now a very special thanks to the most important people in the life of this year's tournament (they make the tournament run smoothly day to day); Shelbie Bastiaans (charity chairperson), Sherry Levitt (partnership chairperson), Blair "red" Young (caddy chairperson) and last but not least Nancy Rainwater (hospitality chairperson). Our two district representatives have been especially important; Carolyn Newcomb (district president), in addition to everything else, printed your labels and puts this daily bulletin together every night after play is over and Jerry Ranney (district treasurer & GNT tournament rep) who

**More Observations on Growing Older**

Your spouse is counting on you to remember things you don't remember.

The things you used to care to do, you no longer care to do, but you really do care that you don't care to do them anymore.

Your husband sleeps better on a lounge chair w/the TV blaring than he does in bed. It's called his "pre-sleep".

Now that you can afford expensive jewelry, it's not safe to wear it anywhere.

Your husband has a night out w/the guys, But he's home by 9:00PM.

## Chairman's Letter....

*(Continued from page 1)*

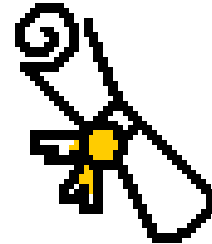

selflessly gives every spare minute to make sure you never see what goes on behind the scenes.

I would especially like to thank all of the significant others of all the those listed above who sacrificed time with their loved ones for the past several months so they could make this tournament what it was.

Lastly I would like to thank my partners, opponents and directors that allowed me to step away from the table to handle emergencies.

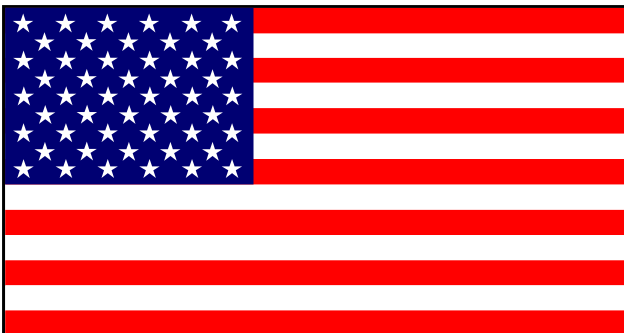

Thanks to all; I hope you are already making plans to come back next year.

*Bob Eberhardt  
Tournament Chairman*

Honor fallen soldiers on Memorial Day by observing the National Moment of Remembrance. The National Moment of Remembrance, endorsed by President Clinton in 2000, takes place every Memorial Day at 3:00 p.m. local time. At that time, all Americans are urged to observe a moment of silence or to listen to "Taps," in tribute to those who died for our country.

Prompted by a group of school children who didn't understand that the holiday had significance beyond being a day off from school, the moment of remembrance is intended to remind Americans of the true meaning of the holiday .
