Why is the time of day with the slowest traffic called rush hour?

Why is lemon juice made with artificial flavor, and dish-washing liquid made with real lemons?

Why is it that doctors call what they do 'practice'?

Why is 'abbreviated' such a long word?

Why don't you ever see the headline 'Psychic Wins Lottery'?

Why the sun lightens our hair, but darkens our skin?

If con is the opposite of pro, is Congress the opposite of progress?

You know that indestructible black box that is used on air-planes? Why don't they make the whole plane out of that stuff?!
