Diana called the meeting to order at 4 PM. The revised minutes from February were approved as amended.

District 17: Steve said that no decision had been made on having the Las Vegas regional. May 3 was the last sign up date for the GNT.

Treasurer: Jared reported that the financials were about the same as February with the addition of the quarterly payment from ACBL. He is working on taxes. The inventory of trailer was to begin on the 3/22.

Diana has sent out Mini-McKenney medals.

Membership: 1038 members with 2 new members and 2 reinstated.

Tournaments: The 2 tournaments scheduled in November and January at Hotel Tucson are on hold with the hotel returning the deposits. Decisions will be made later in the summer. It was suggested that we schedule a member appreciation event at Skyline Country Club possibly early fall. A rolling sectional is also a possibility for the January sectional.

We hope to offer Bridge in a Day for local high school students in the fall. By then instructors should be in place and principals notified.

Diana said the website would be updated.

The meeting was adjourned at 5 PM. The next meeting is May 19 at 4 PM.
