Steve announced that the November Las Vegas regional was on with no night games except for the first day.

Membership: 999 members with one new transfer

Tournaments: Jack is working on the contract with Expo for the regional held Feb. 28 through March 6. The price has increased from \$9000 to \$12,000. A possibility for the January sectional is the Tanque Verde Lutheran Church, costing \$1000 with no play on Sunday.

Old Business: No decision has been made for holding the Member Appreciation Day in October. Suzanne has completed the inventory of the trailer and will send out an e-mail detailing the contents. The annual corporate return has been completed. It was decided to postpone discussing Bridge for a Day, since there was no response from the schools.

New Business: Jack suggested that we communicate with our members once dates are set for tournaments and the member appreciation event. It was noted that some clubs are reopening.

The meeting was adjourned at 5 PM. The next meeting is June 16 at 4PM.
