The D17 2024-2025 **Championship Flight GNT** finals are scheduled to be held **Saturday, April 5<sup>th</sup> and Sunday, April 6<sup>th</sup> online on Bridge Base Online**. A team with any amount of masterpoints may enter and are encouraged to do so. However, if you win the Championship Flight, you and your team may not participate in any other Flight's final.

The D17 GNT Finals for **Flights A, B and C** are scheduled to be held at the Denver Rocky Mountain Regional **Saturday, May 24<sup>th</sup> and Sunday, May 25<sup>th</sup>**.

The National Finals are scheduled to be held at the 2025 Summer Philadelphia NABC on **Wednesday, July 23<sup>rd</sup> through Sunday, July 27<sup>th</sup>**.

### Eligibility:

Flight C: NLM with fewer than 750 masterpoints

Flight B: 0 – 3000 masterpoints

Flight A: 0 – 6000 masterpoints

Championship Flight: unlimited masterpoints

- Flight eligibility will be established by ACBL's September masterpoint cycle. This information was produced on August 6, 2024 in Horn Lake, MS
- Masterpoints won after this cycle will not impact flight eligibility for these events
- District Eligibility is based on residence as of September 1, 2024. A player who moved to a new district between September 1, 2023 and September 1, 2024 may elect to complete beyond the club stage in either district (but not both)

Players including those from other districts or non-members may play at the club level. To play at the District 17 Finals, players must:

- Be members of the ACBL and in good standing
- Be members of District 17 or have received special permission

Teams may be composed of 4, 5 or 6 eligible players, and a team captain must be selected.

## **Club Level Qualifying**

Clubs or Units may conduct Club Level Qualifying games. There is no limit to the number of Club Level Qualifying games that a club or unit may hold. Players qualifying at the club level state games (online or FTF) are eligible to participate in the District Finals. Clubs and units are not required to hold GNT qualifying games, but are strongly encouraged to do so. Club/unit level events must be held between September 1, 2024 and February 28, 2025.

Clubs and units have the following options for club level games:

- Stratified games
- Flighted games where all four flights complete simultaneously, but separately
- Flighted games where each flight is conducted as a separate event; either on separate days, or where one, two or three flights are held on one day and the other flight(s) are held on other days
- Strati-flighted games where one flight plays by itself, and the other flights play a stratified game
- Games may be conducted as Swiss Team or Round Robin events
- Games may be held as one or two session events
- If the event is stratified, the Open Flight and Flight A are combined as one group for the purposes of scoring and awarding masterpoints
- If the event is flighted, and only one team is entered in any one flight, that team will be automatically qualified for the District Final. That team must pay the club qualifying fee, even though they will not have to play in that event to qualify
- Matched will be scored by Victory Points using a 20-point scale. Ties will not be broken
- Fifty percent (50%) of the teams entered (rounded up), including those teams tied for the last qualified position, will qualify for the next stage of competition
- ACBLScore will automatically assign the appropriate scoring and determine qualifiers. If a club or unit does not use ACBLScore, please contact your GNT Coordinator to obtain proper forms. Points awarded at the club level stage are half red and half black, at sectional rating

## **Sanction Fees for Club Qualifying Games**

Sanction fees of \$5.00 per team per session are due to District 17. Club owners/managers/unit officials will establish their own entry fees.

- Club owners will receive an invoice from the GNT Coordinator after the qualifying period
- Checks will be sent to the D17 Treasurer, payable to District 17, or by Zelle (information will be provided on the invoice)
- ACBL Sanction Fees are \$2.40 per team, per session for each event

## District Winners

The winning team of each flight is eligible to compete in the National Finals, which is scheduled to be held at the 2025 Philadelphia NABC on Wednesday, July 23<sup>rd</sup> through Sunday, July 27<sup>th</sup>. Should the first-place team in any flight not elect to advance to the National Finals, the second-place team will be extended the invitation to participate. If at least eight teams compete in the B or C Flights, the second-place teams may also compete in the National Finals. The third-place team in Flights B and C may move up if the first or second-place team is unable to compete at the national level.

All teams advancing to the national level must contain at least two of the players who participated in the District Final.

### **Substitutions**

During the District Finals, the GNT Coordinator or the DIC may approve an emergency substitute. Only one substitute per team is allowed and is not permitted if four or more team members are available.

The substitute must be:

- A D17 member in good standing
- Eligible to play in the flight in which the team is competing
- A substitute is not permitted for more than a 24-hour period or for more than 50% of the boards played, whichever is less
- No substitute is allowed when a team member is suspended or expelled

### **Replacements**

The permanent replacement of a player is permitted only with the permission of the D17 GNT Coordinator. The replacement must be:

- A D17 member in good standing
- Eligible to play in the flight in which the team is competing
- Must not be eligible for further competition in another flight

### **Augmentation**

Augmentation of a fifth or sixth player to a team after the completion of the District Final will be allowed provided:

- The D17 GNT Coordinator is notified and approves
- The player(s) are D17 members in good standing
- The player(s) to be added are eligible to play in the flight in which the team is competing

### **Ineligible Players and Disqualifications**

An ineligible player is disqualified. The disqualified player's team will be disqualified unless the DIC determines the teammates were unaware of the deficiency of the disqualified member. Any team reduced to fewer than three original members due to disqualification of ineligible players is disqualified. When a player's team is disqualified after the correction period, the disqualified team's position remains vacant. In ongoing events, teams move up one position.

### **Subsidies**

District 17 provides a stipend to each first-place team in Flights A, B and C when the National Finals are conducted at the NABC (not online). The stipend will be based on the income District 17 receives from the grass roots and qualification games.

District 17 will provide a stipend to a second team in Flights B and C. The stipend will be one-fourth of the stipend provided to the first-place teams.

There are no subsidies given to the Championship winners.

All stipends will be paid to the players after calculation of the money received in the grass roots and qualification games is completed.
